Club meetings, work sessions, and operating sessions are held on Thursday evenings. Business meetings are held on the 1st Thursday of each month. Minimum Club dues are \$25 per quarter but members are asked to consider a voluntary higher payment in order to assist with club overhead expenses (rent and insurance). Most members elect Senior or Patron membership. Dues for these grades of membership are \$20 per month for Senior members and \$25 per month for Patrons. Please check the membership level desired:

Membership. Initial membership shall be probationary for a period not exceeding three months during which the applicant is considered a guest of the Club and may participate in all non-voting club activities. The probationary period provides the prospective member the opportunity to demonstrate interests and compatibility with the membership and the objectives of the Club.

At the end of the probationary period, a majority vote of active Club members present at a designated meeting is necessary to elevate the applicant to active membership status. Upon approval by the membership vote, the successful applicant must tender pro-rated dues for the remainder of the quarter or the remaining months of the fiscal year (at the applicant's discretion), prior to being elevated to full membership status.
